11) The pay originally was 20-1-25-
- was revised on 10/6/48 to 30-1-40-2-50
The grade is existing both in Engineering Municipality and Public Health Depts
So I think it desirable not to have any change in the grade of the Asst
is to be retained as to give the present incumbent a little higher pay they may recommend for advance increment to the Govt for consideration
